"Fast from the words in your heart!"

Soul the Knight

- Peace be upon you, Peter!

- Peace be upon you, dear knight, Soul!... amazing!... today you came early!... Peter answered.

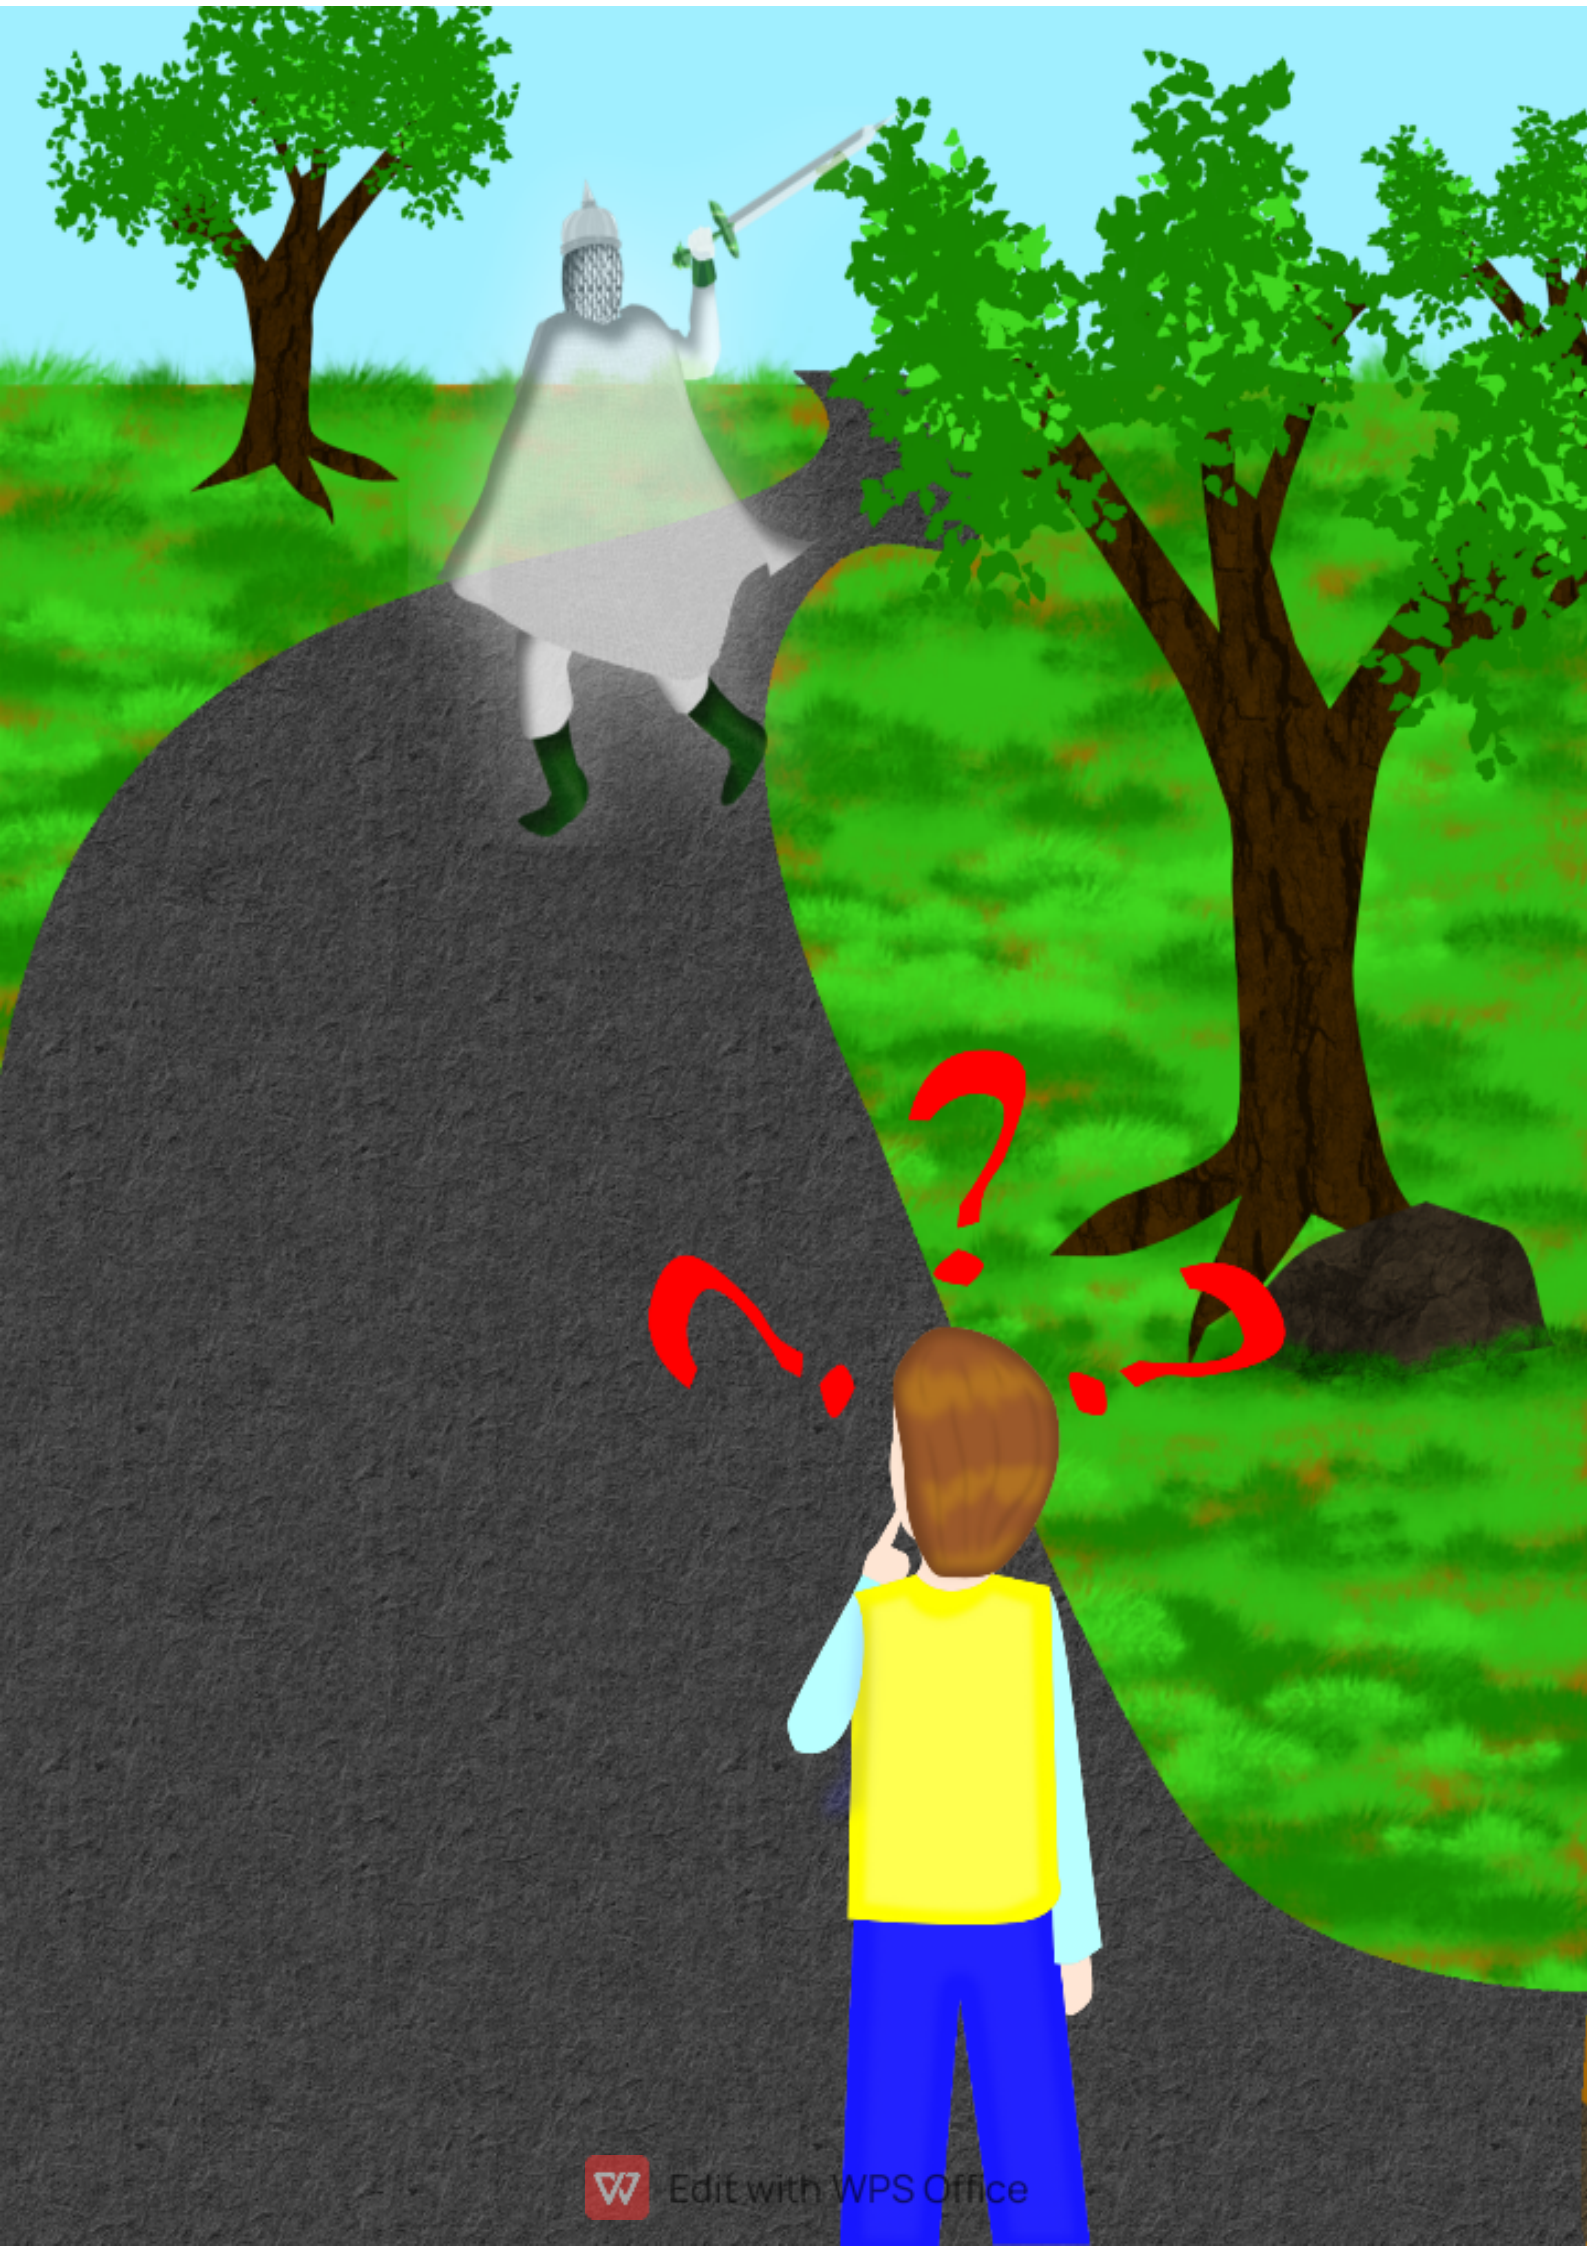

But Soul the Knight looked around then said:

- Actually... I didn't come for the story... I have came looking for...

Soul The knight, suddenly, jumped off his horse, wielding his sword, the Sword of Truth, and ran towards the tree.

The sound of striking swords had risen before Peter heard the sound of a getting-away horse, but Soul the Knight shouting at him:

- Come back, you coward!.. come back and fight me as man!

But the hidden knight ran away quickly as the voice sounded, then Soul the Knight went back to Peter, saying:

- He was honest who said: May Allah curses the devils and demons and adorns them with shackles and chains!

Peter laughed and said:

- But... isn't that your sentence?!

- Yes, I was honest when I said it!

Peter smiled and said:

- Now!... Tell me; who was that?

- That was the Black Devil!

- What???.. The leader???.. Come on faster.. Tell me the story from beginning to end.. Where did it happen?.. What happened?.. How did it happen?.. When and.....???

- Calm down, Peter.. Calm down!

- I will not calm down before I know the details,

and the details of the details, and the details of the details of the details and...

- Peter!!!!

The knight exchanged a look with Peter and sat under the tree, catching his breath. Then said:

- Do you know what the Black Devil hates the most?

- No.. what is it?

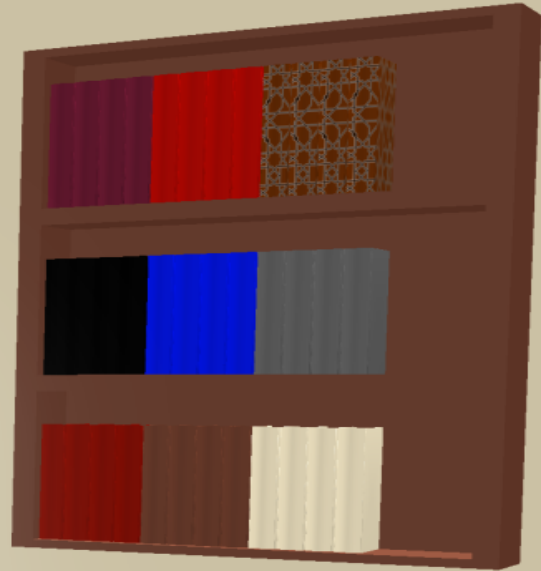

- What he hates... is prayer!

- Prayer?!

- Yes.. prayer, especially pure prayer.. I mean perfect prayer.. and when he feels that someone is beginning to be good at his prayer, he comes

الله
عز وجل

by himself to destroy it!

- What a hater! .. I will not let him do this to me, I am a hero!

- What a pity!.. Prayer is spoiled when you say: I am a hero.. You must feel that only Allah makes your prayer good and pure, not you.. Anyway, this is what happened with Steven!

- Who is this Steven?

Soul The Knight took a deep breath and began to tell his story with a smile:

"After I prayed Dawn-Prayer in the mosque today, I noticed that those who attended the Dawn-Prayer were few; only about five persons, so this saddened me and made the jewelry of my heart black.. I put on my glasses of insight and went out the door of the mosque, insisting to fight the demons when...

I found myself face to face with the hateful Black Devil, it bothered me a lot that he was entering the mosque.. What insolence!

But he was accompanied by a late young man

who had missed the collective prayer, so he stood sad and said:

- Oh, Allah! .. Why am I so late?

I read on my red Inspiration Tablet that this young man is Steven and he loves to pray, but he has a problem.. He suffers from vanity that Devil blows into him!

Steven sighed sadly, then stood in a suitable place and began to pray, while the devil on his left says to him:

- Amazing!.. you legendarily improve your prayers!.. I mean, I don't think that this mosque saw a better worshiper than you!

The hater put his hand on his jaw to catch his laughter and said:

- What amazing this kneeling is!.. fantastic.. amazing, Steven!.. go on, you are a hero!

الله
عز وجل

So anger boiled in my heart, I approached, filled with furies, while the devil looked at me mockingly and said:

- You want to fight me in the house of Allah, Soul?! .. You can't!

I answered him with confidence:

- Yes, I want to fight you, but with what is cuter than swords; with my tongue!

He looked at me scornfully as I approached the right of Steven and said to him.. of course, he couldn't see me:

- No, Steven.. Allah does not like cocky and arrogant .. What you hear is not the voice of angels, but the voice of the damned Devil!

Devil shouted pretending that he is not him:

- Did you hear what the devil just said to you?!..don't listen to him, God loves you, you are excellent!

I was really fed up with this devil who lies to the young man and says about me that I am a devil, so I closed my eyes and sincerely asked Allah for help, then I said to Steven:

- If you want to improve your prayer..never

praise it and don't listen to anything in your heart.. I mean, fast from the words that are in your heart!

The devil shouted laughing:
- You can't!.. you can't!

He approached him and said with lies and deception:
- Beware.. there is an insect going to bite you.. raise your leg quickly!

He wanted to make him think that there is actually an insect in order to distract him from prayer, but quickly I said:
- This is the first test.. you should not listen to him at all!

I was happy that Steven responded to me, but when he ignored Devil, Devil frowned and said:
- See?!.. your leg itches you.. the insect has bitten you indeed, maybe it was a poisonous insect.. I am afraid you will suffer from this bite for a long time, maybe you will lose your health or even your life.. hurry up, you must examine your leg as fast as possible!

But Devil was stunned when Steven did not

listen to him, he said annoyed:

- Allah loves you..so he will not be angry if you keep this evil insect away from you!

But, indeed, Steven ignored this as well what made Devil feel ashamed, he said deceptively:

- Oh poor..God does not love you.. so he made this insect stinging you.. even though you are praying!

What a disappointment for Devil when Steven succeeded in ignoring him again as well!, the hater Devil started hitting the ground with his feet and saying in anger:

- Do you remember how good the sweets that your father brought were? .. I wish you ate your sister's piece, because you love this sweets so much while she is young and does not understand anything!

Steven said from his heart: Allah is greater!.. Allah Akbar!

The devil's face turned red, he said hopelessly:

- How bad your friend Mike is.. without him, you

محمد

الله عز وجل

would have slept well and prayed Dawn-Prayer in congregation and...

But Steven did not give him his attention, and more than that, he said:

- I seek refuge in Allah, the Great, from the accursed devil!

Indeed, Steven said it from his heart and prayed the best, so the surprise happened!

The angels hurried to him from every direction and pushed Devil away until he found no place to stay, he was trying to escape with difficulty until he reached the door humiliated, panting, cursing me and saying:

- I will avenge you, soul.. you will regret.. you will regret!

Immediately I jumped leaving Steven in an amazing kind of happiness and rushed out of the mosque, I rode my mare "Piety" with one jump, then caught up with the hateful Devil until here as you have already seen me, but the hater ran away with the rest of his men..

Don't worry, Allah will disgrace him, Peter.. I am

extremely sure.. I trust Allah The Great!"

Peter said:

- Well said, sir.. I ask Allah to make the end of this abhorrent on your hands, good knight!

Soul the Knight smiled, the jewelry of his heart shone, he jumped on his horse saying in joke:

- Come on, Piety!..Good deeds await us.. I will not let Peter precede me to them!

Piety went while Peter said taking leave with a laugh:

- Do not try.. I will precede you to the Noon-Prayer Allah willing, I will master it and defeat Devil.. I am who will defeat him first!

(2)

"First, reconcile with your brother and
then, reconcile with Allah"

Soul the knight

Peter rolled over on his bed sadly, exhaling and saying:

- I don't understand.. Why didn't Soul the Knight come today?!.. I waited for him for so long in vain.. Did something happen to him or was he tired of coming?!

Sleep did not close to Peter's eyelids, so he got up to drink water when he saw his older brother on his way..

Immediately the two of them frowned at each other and each went to his destination, ignoring the other..

Peter entered the kitchen and began filling his

glass with water while thinking about his quarrel with his brother.. He was so angry that he did not move his hand as he should, so the glass hit the marble and scattered to pieces while Peter shouted:

- Aaah.. my hand.. I got hurt!

It got bleeding , Peter did not know what to do.. It was night and his parents were asleep. He had to face this situation alone, but..

Suddenly someone entered the kitchen.. It was Lex; Peter's older brother.. he said:

- Peter.. Are you okay?

As Lex saw the blood, he hurried, cleaned his brother's hand and bandaged it, he said to him:

- Peter, can you collect the glass, or should I collect it?

Peter stammered and said:

- No, I'll collect it!

But the brothers cooperated and cleaned the place laughing, then Peter returned to his room to sleep when he felt that he was not alone in the room, so he turned and looked around, but he did not find anyone.

He sat on his bed when he sensed that someone was next to him, so fear penetrated his heart, he shouted:

- I seek refuge in Allah the Almighty from the accursed Devil!!!

- Calm down, Peter.. I'm not a devil!.. I'm the enemy number one of devils!

Peter was silent with a smile on his face, then he said:

- This is you, Soul the Knight!.. why didn't you come today on your appointment?.. and why can't I see you?

- Actually.. I came on my appointment, but you didn't come!

- No! .. I came and waited for you for a long time .. Where were you?

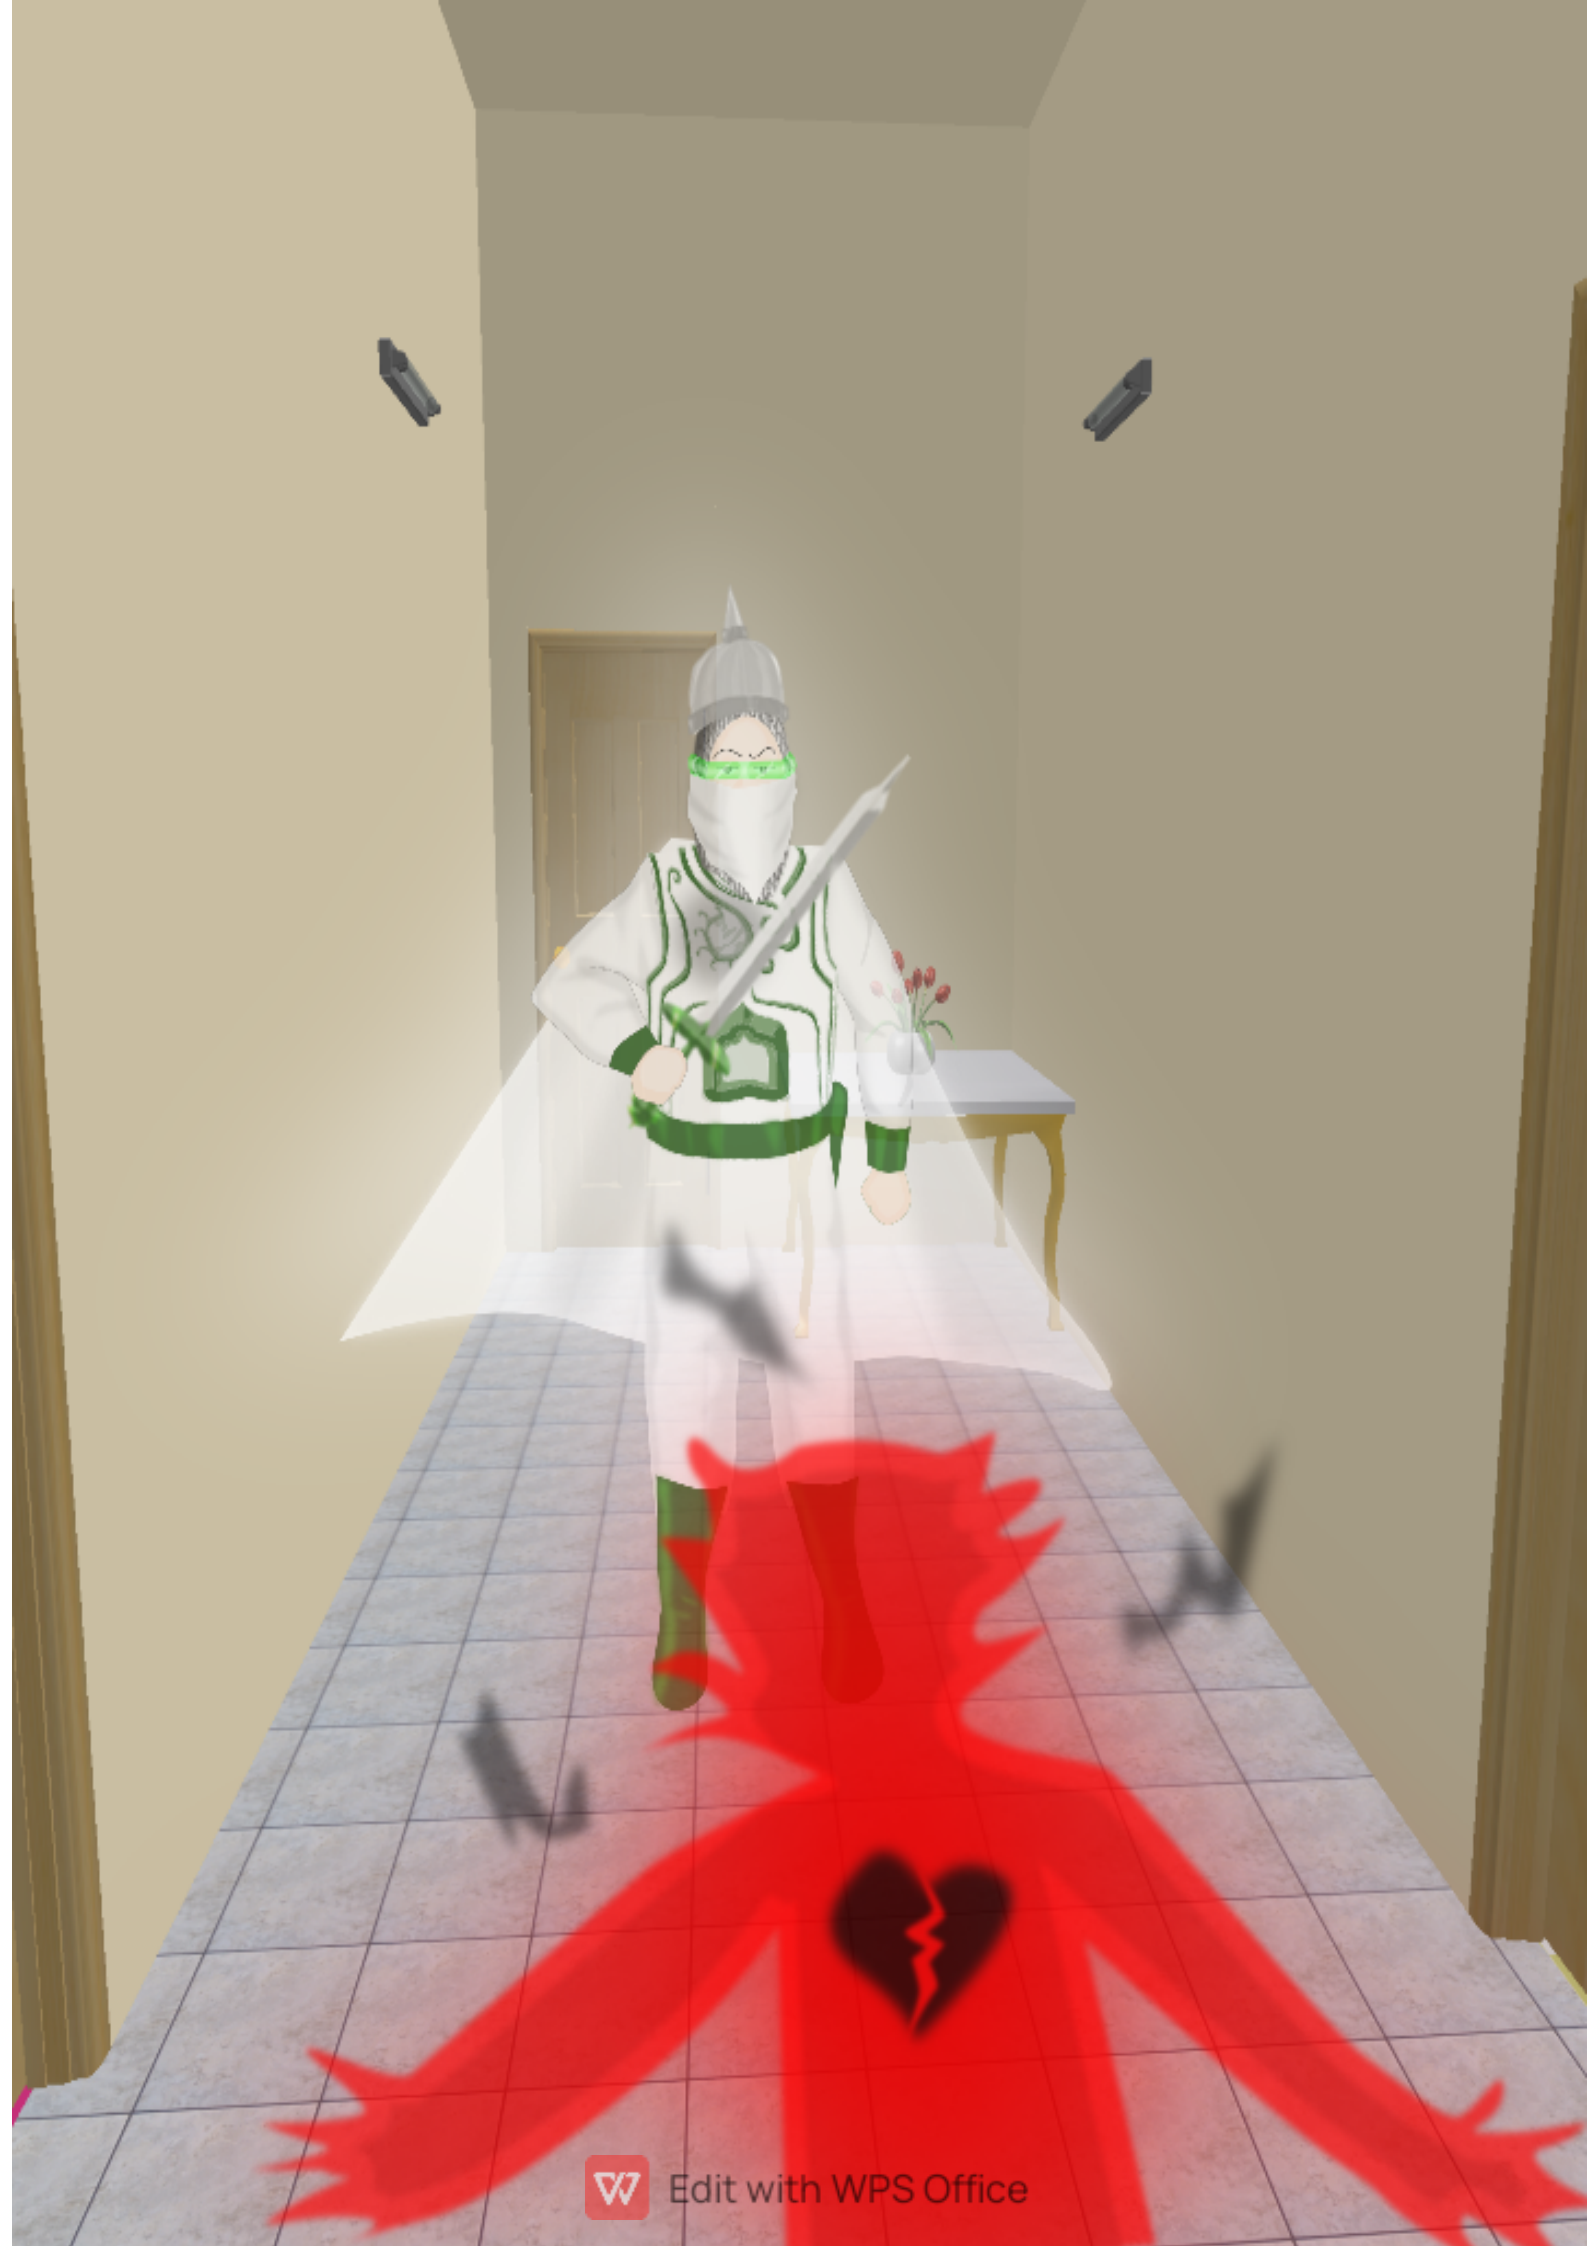

- In front of you!
- In front of me?! .. I don't understand why I don't see you as usual?!
- Who sees me usually?
- Good people and innocent children who do not commit sins, but I...

Peter raised his wounded hand thinking, then said:

- Well, I admit I did something bad today when I had a fight with Lex, but...
- Don't say: 'But'.. you have blackened your heart and therefore you cannot see me.. As for myself, the white jewelry of my heart has returned white after I kicked Toro out of here!
- Toro?.. Who is this Toro??
- This hateful devil who whispered to you and

made you fall into a fight until you quarreled.. indeed, after a long fight with the Sword of Truth, that does not disappoint, I made that coward jump out of the window escaping!

By that, the problem was end, so at that moment that you cried, Lex hesitated at first to help you or not, then.. Then his angels got advising him until he came back to his sensibleness and helped you..

The knight fell silent, looking at Peter's shocked face, who cried out, saying:

- I can't believe that!.. You did your adventure in our house today?!
- Yes.. How did you let Toro the devil mess you up like a doll?!

Peter was ashamed, he said:

- Well, is not there any way for my heart to return as white as it was and then I can see you again?
- Of course there is.. First reconcile with your brother, then reconcile with your god Allah; I mean you

repent to Him.. Get up and pray two Rak'ahs asking Allah sincerely to forgive you, Peter!

- First, I really made up with my brother... and secondly, here I am on the rug!

Peter jumped on his rug to pray, indeed it was only a few minutes before he finished his prayer and felt a white light on his bed, he turned to see the knight smiling at him, the white jewelry of his heart shining and lighting up, immediately Peter jumped on the knight's lap, saying:

- How much I love Allah!, who made you one of his soldiers, my beloved knight!

"Lord, if you save me from this situation, I promise you that I will never steal again"

The thief youngman

It was a beautiful morning when Peter and his cousin David went out to play ball in the nearby orchard.. Catch!.. Take!.. Be careful!

Suddenly Peter threw the ball away, so David had to follow it while Peter ran away and ran until he finally stood up shouting:

- Soul the Knight!!!.. What has brought you here, sir?

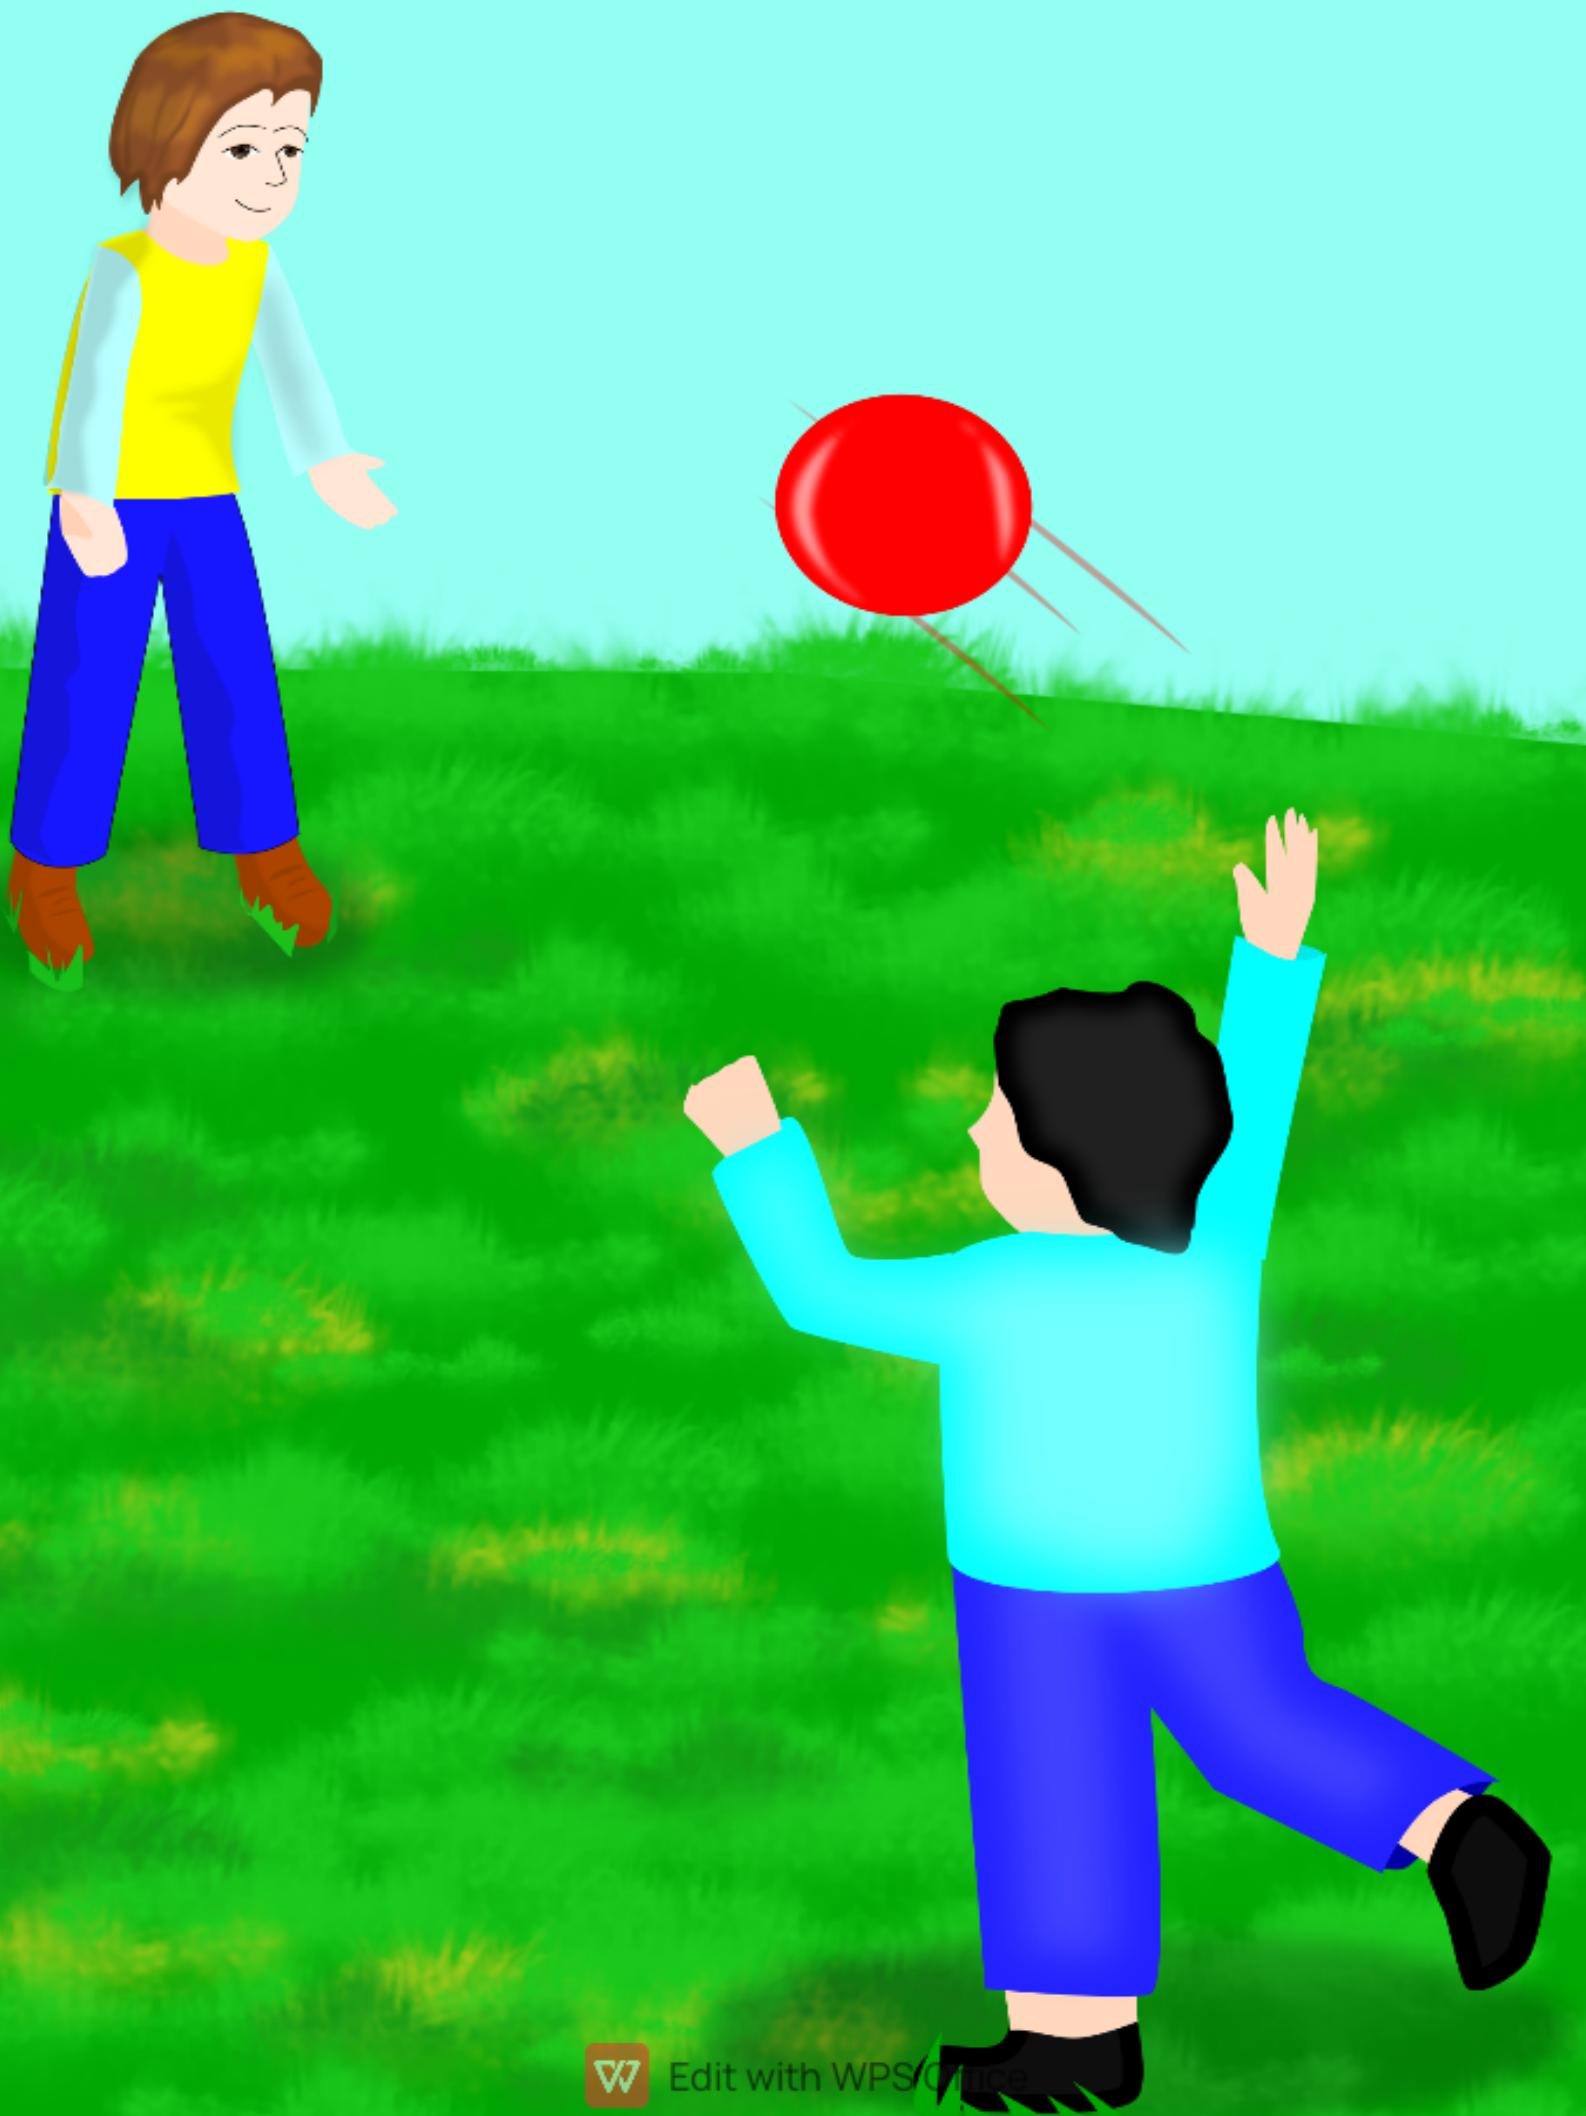

Soul The Knight stood up and turned to Peter, saying:

- Peace be upon you, Peter!

Peter was ashamed and said:

- Yes, right.. Peace be upon you!.. But please tell me, what are you doing here?

- I'm looking for something with the Inspiration Tablet as you see!

Peter noticed the bright red tablet in the hands of Soul the Knight, who was looking at, following something on and walking right and left, Peter was staring at him with curiosity when...

- Peter!.. I finally caught you!

Peter turned to see his cousin, David saying to him:

- Where did you run away?..Come on, let's continue our game!

Peter tried to get rid of David to see what Soul the Knight was doing, but that was in vain, because David was not able to see Soul the Knight, so it did not occur to him that Peter was doing anything!

Thus, Peter was being drawn to playing, looking at

Soul the Knight who yelled:
- Praise be to Allah! .. I found it!

Peter, while walking with David, tried to find out what was in the knight's hand but in vain until they finally moved away and returned to their game!

At the afternoon and at the appointed time, Peter was under the tree, waiting for Soul the Knight very exciting and impatiently, soon the knight appeared in the horizon, hurrying like lightning until he stopped beside Peter greeting him then said:

- Where did you go, Peter? I thought you wanted to know the story!
- Yes, I want.. but my cousin forced me to go.. Come on, please tell me.. I am incredibly eager to hear your adventures!

Soul The Knight smiled and said:

"Yesterday evening, I was walking in the market when I saw a young man sneaking into one of

**I won't steal
anymore, my Lord**

the shops...

I stood still to see what he was doing, I was astonished, the jewelry of my heart turned black seeing him skillfully opening the box, stealing a piece of jewelry and running away with it, but...

The owner of the shop saw him, he and other two men ran after him, I also rode my mare and followed him with lightning speed..

I saw him while he could not see me, he was tired, he did not find any hiding place for him, he realized what kind of trouble he had gotten himself into.. but after a long running, his feet brought him out of the city; to the place where I was searching in, in the morning as you had seen me..

There, when he could find no escape, he threw the jewelry away and said:

- Lord, if you save me from this situation, I promise you that I will never steal anymore, for all my life!

So I intreseted watched what would happen, suddenly, the young man stumbled and fell into

a big borehole, he was covered with straw that was gathered there!

After three minutes, the shopkeeper and the other two men arrived, they started looking around and shouting:

- Where did he disappear? .. Minutes ago we saw him here!

They scrambled the ground looking for him in anger, they waited for a long time searching frustrated before finally they quite despaired after hours, and left indignantly.. But he shopkeeper said:

- I complained him to you, my Lord!

The shopkeeper went broke while I was sitting watching.. then ,in the morning, the young man came out of the straw after making sure that the place is empty, he praised Allah and said:

- Oh Allah, indeed, You has saved me with an unexpected way!, so I will fulfill what I promised you, my Lord.. From now on, I will not steal anymore all my life!

He limped to his house in a hurry, while I felt my

I complain him
to You, my Lord

something on my Inspiration Tablet, I looked at and found my task to search for the jewelry and take it back to its owner.

But you, Peter, can not imagine the extent of the surprise and happiness that mastered the face of the owner of the jewelry when he opened the box and found it in, he thanked Allah by whole of his heart, he prostrated thanking Allah extremely happy!

Seeing that, the jewelry of my heart lit up thanking my Lord, and then I felt a perfect happiness, Peter!"

Peter laughed and said:

- Amazing, Allah saved the young man and the shopkeeper in an amazing way!

- Of course, my friend.. Human has only to trust in Allah like the shop owner, and be sincere in repentance to him as well as the young man, and then you will see that Allah will do wonders, even if after a while!

The knight jumped on his horse, taking leave, while Peter said to him:

- Goodbye, Knight of earth and sky!
